GRADING

In recognition of the increased demands of AP, IB, and Honors coursework, an additional 3 point weight is averaged into the GPA of each Honors course and an additional 7 point weight for each AP or IB course. These additional points are only added in the final computation of the GPA and are NOT reflected in the student's course grade. All CCES courses, unless designated AP, IB or Honors, are college preparatory and are not weighted.

Signature:**Title: Registrar**
